Dear Sir:

The below identified inventors hereby declare that upon filing the present application through oversight, and without deceptive intent Robert W. Berner and Daniel J. Woodruff were erroneously omitted from the application.

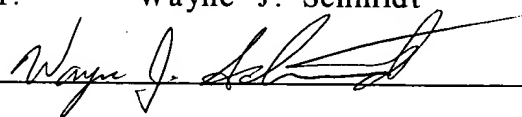

The error omitting Robert W. Berner and Daniel J. Woodruff as co-inventors occurred by reason of simple inadvertence and oversight in failing to name them at the time the application was originally filed. The error was discovered between about October 22, 1996 and October 24, 1996. The discovery of the error occurred in connection with review of the Notice to File Missing Parts by Mr. Berner.

1 All the inventors, and the assignee, moved immediately upon
2 discovering the error to ask the attorney of record if the inventorship
3 needed to be corrected in the present application. Subsequently, on
4 about November 15, 1996, a detailed review of the claims and the co-
5 inventors' work on the invention was undertaken during a meeting
6 between the co-inventors and their attorney. This review confirmed that
7 a change of inventorship was in order and action was thereafter taken
8 to correct inventorship.

9 The undersigned being hereby warned that willful false statements
10 and the like, so made, are punishable by fine or imprisonment, or both,
11 under Section 1001 of Title 18 of the United States Code and that any
12 false statements may jeopardize the validity of the application or any
13 patent issuing therefrom, declare that all statements made herein of their
14 knowledge are true, and that all statements made on information and
15 belief are believed to be true.
